

Greetings from the SD Diabetes Prevention & Control Program (DPCP) and welcome to the March 8th edition of the "DPCP FYI". Each FYI is received by more than 350 diabetes care providers in and around South Dakota. If you have trouble with the attachments or links, the e-Bulletin is also posted on the DPCP website at <http://diabetes.sd.gov>. If you have suggestions for improvement to the DPCP FYI or if I can otherwise be of assistance, please let me know-

Colette

#### **This issue's topics-**

- **Diabetes in Your School DDN Training**
- **Grand Rounds on 3/16**
- **Diabetes Expo in Rapid City**
- **Diabetes In Control Electronic Newsletter**
- **SD 2005 Public Health Conference Exhibitor Information**

#### **Diabetes in Your School DDN Training**

The SD Coordinated School Health Program within the Departments of Health and Education, Avera McKennan Hospital and University Health Center are sponsoring a DDN training entitled "Current Topics - School Health". The topic for 3/14 is *Diabetes in Your School: Students, Teachers and Your Family*. For information about the 8-lecture series or to view registered sites, visit <http://www.state.sd.us/deca/CSCF/schoolhealth/DDNseries/index.htm>

	<b>USD SCHOOL OF MEDICINE</b> <b>DEPARTMENT OF INTERNAL MEDICINE</b> <b>MARCH 2005 GRAND ROUNDS SCHEDULE:</b> <b>Wednesdays 7:30 – 8:30 AM (Central Time)</b>	<b>For Additional Information:</b> Rita Shewmake Phone: 605.357.1480 <a href="mailto:rpshewma@usd.edu">rpshewma@usd.edu</a>
---	--	---

#### **Wednesday, March 16, 2005**

Speaker: Brandon Allard, MD Sioux Valley Clinic-Endocrinology, Sioux Falls, SD  
Roger Shewmake, PhD, LN, Professor &  
Dir., Sec. of Nutrition, USDSM, Sioux Falls, SD

Location: Sioux Valley Hospital - Schroeder Auditorium

Topic: Life Style and Diabetes: The Evidence

#### **Objectives:**

At the conclusion of this continuing medical education event, participants should be able to:

- Discuss the Diabetes Prevention Program (DPP) and the American Diabetes Association (ADA) Evidence Based Nutrition Recommendations.
- Identify lifestyle interventions effective in the reduction of incidence of diabetes through weight management, increased physical activity and appropriate nutrition.

*This program is supported by an unrestricted educational grant to the University of South Dakota School of Medicine from Takeda Pharmaceuticals of North America, Inc.*

**Diabetes Expo in Rapid City**

The Black Hills Diabetes Association is holding their 2nd Diabetes Expo on March 20th at Rapid City Regional Hospital auditoriums. The Expo runs 1:30pm -3:00pm. For further information contact Connie Tice at [Connie@rushmore.com](mailto:Connie@rushmore.com).

**Diabetes in Control Electronic Newsletter**

The "Diabetes in Control" electronic newsletter contains a wide variety of news and information for healthcare professionals. To receive this weekly newsletter, register at [www.diabetesincontrol.com](http://www.diabetesincontrol.com).
